

Peter Gillespie Hosts OSHA Recordkeeping Requirements Webinar

04.24.2023

In this webinar, **Peter Gillespie** unpacked OSHA 300 log requirements and provided a clear path forward for those with OSHA recordkeeping as part of their duties. During the discussion, Peter outlined:

- The importance of recordkeeping
- Electronic submission requirements
- What enforcement efforts entail
- How to address specific issues that may arise

Note, the recording pauses at the six-minute mark and restarts. [Click here](#) to view the presentation for slides 3 – 22.
