

Wes Covert, Monica Lasky and Chad DeGroot Will Examine COBRA Subsidies and Legal Requirements Under the American Rescue Plan Act in Upcoming Laner Muchin Webinar

05.06.2021

As part of additional COVID-19 relief, the American Rescue Plan Act of 2021 (ARPA) provides that the federal government will subsidize 100 percent of the cost of COBRA for six months beginning April 1, 2021, for qualifying individuals. Employers are largely responsible for determining who is eligible for the subsidies and notifying such individuals.

Please join us as Laner Muchin Attorneys **Wes Covert, Monica Lasky** and **Chad DeGroot** share insights on the legal requirements pertaining to COBRA subsidies in an upcoming webinar entitled **COBRA Subsidies: What Employers and Plan Administrators Need to Know to Comply.**

This presentation will explain the various legal requirements pertaining to the COBRA subsidies and offer best practices to employers and plan administrators for complying with such requirements. We expect additional guidance by the date of the presentation clarifying who is eligible for the subsidies and how to submit requests for payment of the subsidy.
